

# Get EUTHYROX<sup>®</sup> for as low as \$7/month through Marley Drug

## The Importance of Proper Storage for Levothyroxine

Levothyroxine has a potency that can be significantly affected by external factors such as light, oxygen, and moisture.

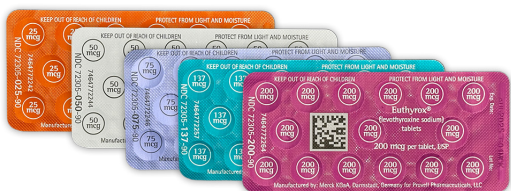

The consistency of each dose's potency is critical for effective treatment. A lack of potency in levothyroxine can lead to persistent symptoms of hypothyroidism, including fatigue, constipation, muscle aches, weight gain, and depression.

## EUTHYROX: Blister Packaging for Enhanced Protection

Euthyrox is the leading levothyroxine brand with over 53 million patients relying on it each year globally. Its blister packaging is specifically designed to protect the medication from light, oxygen, and moisture to maintain its potency until consumption.

Marley Drug makes accessing EUTHYROX easy for you through our partnership with the US provider, Provell Pharmaceuticals.
